NOTICE

STUDENT AID FOR MASTERS’ STUDENTS
FOR THE ACADEMIC YEAR 2014-15

No. OSA / FA / 2013
June 23, 2014

Dear Students,

Greetings from Office of Students’ Affairs!

The Tata Institute of Social Sciences is committed to provide access to socially relevant quality higher education to all students irrespective of their ability to pay for it. Given that only academic merit counts to secure entry to programs of study at the Institute, students from families with diverse economic backgrounds have gained admission. While it is our desire to provide hostel accommodation to all outstation students we have not been able to do so. The Institute is making efforts to expand its hostel capacity, but it will take time. The Institute is working to find ways to support its students to complete education in peace and as much as possible without accumulating debt.

The Institute has some funds to provide aid to needy students. The students, who are not eligible for the Government of India Post Matric Scholarship and have not received any aid/financial support, are offered aid for their educational expenses. Preference is given to Junior students who are staying outside the campus, as all the Seniors are accommodated inside and pay subsidised charges for accommodation. Students with annual family income of Rs.5 lakhs and more are not eligible for aid.

The duly filled-in application form in prescribed proforma alongwith Fee Receipt (I/III sem), family income certificate issued by competent authority like Tahsildar/Revenue Officer or Certificate of Form No.16/Income Tax returns of parent’s (submit certificates of both, if working) or father’s/mother’s pension certificate for the financial year 2013-14, rent agreement or rent receipt, bank loan document, photocopy of ration card, should be submitted to the concerned Secretariat. The Secretariats are requested to forward the same to the Programme Manager (Students’ Affairs) by 15th July, 2014. The students fulfilling the conditions will be called for the interview during 4th / 5th week of July. Students who are awarded aid will be intimated on their individual TISS email id by end of August 2014.

The last date for submission of application form to concerned Secretariat is on or before 14th July, 2014.

Application Form can be accessed on the link http://www.tiss.edu/lefttop/students/the-office-of-students-affairs and is also forwarded on your tiss.edu email id.

With Best Wishes,
