Walk-in Interview for the post of Research Investigator in a project titled Baseline Study of Safai Kamgar of Municipal Corporation of Greater Mumbai funded by Tata Trusts.

**WALK-IN INTERVIEW for the post of Research Investigator**

Municipal Corporation of Greater Mumbai and Tata Trusts, Mumbai launched a collaborative Mission for the welfare of conservancy workers. Under this Mission, TISS has been given responsibility to carry out a baseline survey of Safai Kamgar (regular/contractual and others) and understand the profile of their work. The survey will cover all Safai Kamgar, especially those engaged in cleaning of manholes, sewers, septic tanks, loading-unloading of garbage, etc. The main task of research investigators will be to visit all 24 Wards and Chowkies within each Ward and collect data by interacting with all concerned staff members in Solid Waste Management, Sewerage Project, Sewerage Operation, Storm Water Drainage departments.

The TISS is looking for such candidates who are committed and sensitive towards the issues of working class in general and Safai Kamgar in particular.

**Details about post:**
- Numbers of Posts: 10 (Ten)
- Duration: 2-3 months
- Salary: Rs. 14,000/- per month + TA (actual during field work) and DA (Rs. 150/- per day).

**Essential requirements:**
- Minimum educational qualification- Graduation in any discipline.
- Knowledge of Hindi (reading, writing and speaking) is must. Candidates with additional knowledge of Marathi and Gujarati will be preferred.

Interested candidates may attend walk-in interview with their recent Bio-data at-
- Center for Study of Social Exclusion and Inclusive Policies, 3rd Floor, M S Gore Academic Block, Naoroji Campus, Tata Institute of Social Sciences, Mumbai-88.
- Date: 27th June, 2014
- Time: 2:00 – 5:00 p.m.
