PRINCIPLES GOVERNING STUDENTS’ STAY AT TISS

The TISS has a zero tolerance policy towards discrimination and violation of dignity of fellow students or other members of the TISS community on the basis of caste, religion, region, disability, gender, sexual orientation and race.

The TISS cares for its students and takes measures to ensure their safety and security. The Institute has all forms of support services, administrative mechanisms, and rules and regulations to make the safety and security systems work for the welfare of its students. As responsible adults, the students are expected to behave in a manner that ensures their safety and security and uphold the dignity of the Institute.

IMPORTANT NOTE

The Tata Institute of Social Sciences plays a proactive role in facilitating education of students from Scheduled Caste, Scheduled Tribe and Other Backward Classes. Beginning with provision of application form free of cost and pre-admission coaching to convocation, all costs are taken care by the institute. Thus, over three fourth of the exemption provided to the students’ eligible for the Government of India Post-Matric Scholarship scheme is borne by the (very constraint) maintenance grant of the Institute.

The grants received, if any, from various State Governments under the scheme is very meagre compared to the amount expended on the students. However, the institute wants to ensure that the students fulfil their responsibility of establishing claim for scholarship from the state government.

The Institute requires cooperation of the students to receive whatever amount the state governments provide as scholarship. The students can do the following:

1. Fill and submit the application form within the time specified by the respective State Governments. It is the responsibility of the individual student to complete and submit the application form. Those students failing to fill the application form by due date will be considered as not interested in being considered for GoI Post Metric Scholarship, and all provisions will be withdrawn from the last date stipulated by respective State Governments for submission of scholarship application form. The institute promises to honour rights of the students as long as the students fulfil their responsibility by filling up the application form for Post Metric Scholarship.

2. The students are requested to follow-up personally or through their parents/guardians with the concerned authority at the district level for release of grants to the Institute.

1. INTRODUCTION

The Tata Institute of Social Sciences (TISS) was established in 1936, as the Sir Dorabji Tata Graduate School of Social Work, a postgraduate school of social work of national stature to meet the emerging need for trained human service professionals. It was accorded the status of a Deemed University in 1964, and has been funded by the University Grants Commission (UGC) since then.

Since its inception, the TISS has consistently worked for the promotion of sustainable, equitable and participatory development, social welfare and social justice. It has earned recognition as an institution of repute from different Ministries of the Government of India (GoI); State Governments; international agencies, such as the United Nations; and the non-government sector, both national and international. A high degree of freedom and autonomy shape the positive work ethos and creativity in the Institute facilitating strong linkages between education, research, field action and dissemination.

In November 2009, the National Assessment and Accreditation Council (NAAC) completed the peer review for re-accreditation of the institute. The NAAC awarded the Institute an ‘A’ Grade with cumulative grade point of 3.88 out of 4.00 indicating a ‘High Level’ of academic accomplishment.

At present there are two lists of castes/tribes/other backward classes (OBCs) issued by the Central Government and respective State Governments known as Central List and State List. Although the TISS adheres to the rules and regulations of the Central Government, the Institute follows both the Central List and State List of OBCs with respect to the reservation norms, as made applicable by the GoI from time to time. The Central List can be accessed on the following websites:

- http://www.socialjustice.nic.in (for Scheduled Castes [SCs])
- http://www.tribal.gov.in (for Scheduled Tribes [STs])
- http://www.ncbc.nic.in (for OBCs)

2. OBJECTIVES OF THE BOOKLET

4. **ESTABLISHMENT AND LOCATION OF THE SOCIAL PROTECTION OFFICE**

The TISS had set up a Student Service Cell in 1986, with financial assistance from the then Ministry of Welfare, GoI, to assist students from the SC and ST communities to improve their academic performance and to optimise their personal and social development at the Institute. In 1988, the Institute obtained approval of the UGC to set up a Special Cell for SCs and STs, which started functioning in 1989.

According to the 1998 UGC Guidelines the Cell for SCs, STs, OBCs, PWD and Minorities in Universities and Deemed Universities was established. The purpose is to help in the implementation of the reservation policy with regard to the admission of students and the recruitment of teaching and non-teaching staff at various levels. In 2012, the SC/ST Cell was renamed as the Social Protection Office (SPO).

5. **UGC GUIDELINES FOR THE SOCIAL PROTECTION OFFICE**

5.1 **Purpose**

The purpose is to help SCs, STs, OBCs, the PWD and Minorities them to implement the reservation policy with regard to the admission of students and the recruitment of teaching and non-teaching staff at various levels. Its function is also to help the SC/ST/OBC/PWD/Minority categories to integrate with the mainstream of the university community and to remove any difficulties, which they may be experiencing.

5.2 **Objectives**

According to the UGC Guidelines of 1998, the objectives of the Cell (SPO) are to:

- Implement the reservation policy for SCs/STs/OBCs/PWDs/Minorities in the Universities and colleges;
- Collect data regarding the implementation of the policies in respect of admissions, appointments to teaching and non-teaching positions in the universities, and in the affiliating colleges and analysis of the data showing the trends and changes towards fulfilling the required quota;
- Take such follow up measures for achieving the objectives and targets laid down for the purpose by the GoI and the UGC; and
- Implement, monitor and evaluate continuously the reservation policy in universities and colleges and plan measures for ensuring effective implementation of the policy and programmes of the GoI.
5.3 **Functions**

According to the UGC Guidelines of 1998, the functions of the SPO are to:

- Circulate GoI and Commission’s decisions and to collect regularly, on an annual basis, information regarding course-wise admissions to candidates belonging to the SC/ST/OBC/PWD/Minorities in the Universities and Colleges for different programmes, in suitable forms prescribed, by a stipulated date, and to take follow up action, where required.

- Maintain a register for employment of SC/ST/OBC/PWD/Minority candidates in the University and affiliated Colleges.
- Any other work assigned from time to time to promote higher education among the communities suffering economic, social and educational deprivations.

6. **CONSTITUTIONAL SAFEGUARDS AND LEGISLATION FOR SCs/STs**

6.1 **Constitutional Safeguards**

According to the Constitution of India, which resolved India into a sovereign socialist secular democratic republic, Right to Equality is a Fundamental Right that includes the right to equality before law; prohibition of discrimination (Article 15); equality of opportunities in matters of public employment (Article 16). The Constitution further specifies that this will not prevent the state from making special provisions for women, children, SCs and STs. Article 17 declares abolition of untouchability, forbidding its practice in any form.

The Directive Principles of State Policy of the Constitution include promotion of educational and economic interests of SCs, STs and other weaker sections (Article 46). The Hindu religious institutions of public character are thrown open to all
classes and sections of Hindus (Article 25b). Any disability, liability, restriction of conditions with regard to access to shops, public restaurants, hotels and places of public entertainment or use of wells, tanks, bathing ghats, roads and places of public resort maintained wholly or partly out of state funds or dedicated to the use of the general public are removed according to Articles 15(2). Article 16 and 355 permit the states to make reservation for backward classes in public services in case of inadequate representation.

Tribal advisory councils and separate departments are set up in states to promote the welfare and safeguard the interests of the tribals (Article 164 and 338 and Fifth Schedule). Article 244 and Fifth and Sixth Schedules make special provision for administration and control of scheduled and tribal areas.

The Reservation Policy is a Constitutional device in the creation of society of equals. It is an exception to the principle of equality, as the principle of equality operates within equals and to equate equals with unequals is to perpetuate inequality. Reservation for SCs and STs is founded upon the ideology of compensatory justice for their sufferings for ages for no fault of theirs. The quota of reservation has been decided by the Constitution in accordance with the percentage of the population of SCs and STs, being 15% and 7.5%, respectively; 27% for OBC (NC only) and 3% for PWD (supernumerary quota).

6.2 Legislation

The Protection of Civil Rights Act 1955 (earlier Untouchability (Offences) Act, 1955), which has been in force since 1976, provides for penalties for preventing any person on grounds of untouchability, from enjoying the rights accruing on account of abolition of untouchability.

The Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act of 1989 specifies the offences which are considered as atrocities and provides for deterrent punishments of commission of the same. Comprehensive Rules prepared under this Act provide for relief and rehabilitation of the affected persons and envisage preventive measures.

By virtue of the Constitution (65th Amendment) Act of 1990, the Special Post under Article 338 of the Constitution has been substituted by the National Commission for Scheduled Castes and Scheduled Tribes, mainly to investigate and monitor all matters relating to the safeguards to SCs/STs under the Constitution and laws.

6.3 Benefits and Safeguards for OBC/PWD/Minorities, etc. are given in page nos. 19, 38 and 45.

7. SOCIAL PROTECTION STANDING COMMITTEE AND MENTORS

The Standing Committee ensures the effective implementation of the policies and programmes of the GoI, UGC and State Governments with regard to backward castes, classes, the physically challenged and minorities. It also suggests measures for achieving the objectives laid down by the various government agencies. The Committee meets at least two times in a year and the decisions arrived at are to be mandatorily implemented. The Committee is chaired by the Director of the Institute.

Applications for scholarships from such students can be considered even after lapse of last date of receipt of applications, on compassionate grounds.

4. The revised income ceilings account for Consumer Price Index for Industrial workers upto October 2002. 1. Introduction

Higher Education has had played a very vital role in history of nation building all over the world. It is clear that no rise in general standards of living and culture is possible without strengthening the higher education system in the country. It obviously calls for a multi-pronged strategy. There is a need to modernize our higher education system, and equally important to continuously attract young and talented students to pursue higher education. It is being increasingly observed that the brighter lot is not pursuing Post-Graduate education in our institutions of higher learning. To emerge as a powerful nation, there is an urgent need to bring in talented boys and girls in the fold of Post-Graduate education by way of providing them with good incentives in the form of scholarships. The UGC, therefore, introduced a Post-Graduate Merit Scholarship Scheme for University rank holders both in General and Honours Courses at Undergraduate level.

The scholarship may be tenable for a period of two years to enable the rank holders of each university at undergraduate level to pursue their Master’s Degree. All universities/degree awarding institutions would be required to issue rank certificates to the toppers of the university (not at college level) both in General and Honours Courses namely B.A., B.Sc., and B.Com. The purpose of this scheme is to attract talent for pursing post graduate studies besides strengthening the basic subjects – General as well as Honours, at Undergraduate level. The awardees, under this scheme, can pursue their Postgraduate programme in any area of specialization in any institution of higher learning in the country.

- to build up academic excellence at postgraduate level across the colleges and universities in the country.

3. Eligibility/Target Group

In Honours Courses the scholarship would be awarded only to the First Rank holders. These awardees will have to submit the proof of their merit position at undergraduate level as well as their admission in postgraduate courses.
• The scholarship would, however, be subjected to securing a minimum of sixty per cent marks at undergraduate level.
• The scheme is applicable to such students who have taken admission in regular, full-time Master's Degree course in any recognized university or a post graduate college.
