"Part time opening for 10 positions of Research Investigators at Muskaan - field action project, Tata Institute of Social Sciences"

Muskaan works with the Family Courts, Bandra and Thane and provides mental health interventions to children of divorcing/ separated parents.

With the permission of the Mumbai High Court, Muskaan has initiated a research study on divorce trends in recent times and its effect on wellbeing/mental health of children.

We are currently looking for students and fresher’s to help us with the data collection phase of the above study.

Selected candidates will be expected to be available for data collection on 2nd and 4th Saturdays, all Sundays, public holidays etc. in the premises of Bandra and Thane Family Courts.

Payment will be in accordance with the number of schedules completed per day. Data collection needs to be completed by end of January 2014. Those completing the work satisfactorily will also be provided with a letter of appreciation.

Interested candidates can send their résumés to Dr. Shubhada Maitra at shubhada@tiss.edu with ‘Family Court project: Research Investigators' as the subject line.’

Last date of Application: TEN days from the date of publication of this advertisement.
