Employment Notice

One Research Officer (Statistics/Demography)

The Tata Institute of Social Sciences, Mumbai, in association with UNICEF, Mumbai is undertaking a study to assess implementation of Tribal Sub-Plan (TSP) by the Tribal Development Department of the Government of Maharashtra. The study also involves preparation of a Tribal Atlas and developing a Tribal Development Report. For this, the project will undertake an extensive collation and analysis of data from censuses, sample surveys, program statistics and also from the field.

For compilation and analysis of statistical data we are looking for a Research Officer oriented in quantitative analysis.

- The Research Officer will have Master’s degree in Statistics, Demography, and/or Econometrics.
- Persons not having any of these degrees but having a strong expertise in quantitative analysis will also be considered.
- Preference will be given to candidates who worked with tribal communities, analysed tribal data and conversant with Marathi.
- The appointment will be initially for a period of 3 months and it may be extended based on performance.
- Salary offered is Rs. 30-35 thousand per month, but depending on qualification and experience higher salary may be considered.

Last date for receiving application is 24th March 2014. Short listed candidates will be called for a personal interview at short notice and if selected join duties within a few days. Outstation candidates if called for interview will be paid travel allowance. Interested candidates are requested to send in their Curriculum Vitae (CV) to Ms. Shilpi Gupta, Senior Research Officer guptashilpi1984@gmail.com.
